

HOW WILL THE GDPR (GENERAL DATA PROTECTION REGULATION) AFFECT YOUR BUSINESS?

Seminar - Thursday 18th January 2018, 9.30 – 12.30

Who Does It Affect? – every business with staff or customers!

The grace period for the GDPR ends on 25/5/18. Preparing for this is not a short-term project.

The Seminar will cover:

- A detailed overview the main elements that will affect the SME sector.
- Why Aligning with compliance is NOT a tick box exercise!
- The seminar is presented in layman's terms, with a focus on SME's
- Why taking action now is likely to be in your best interests
- The myths around GDPR
- What you should be doing now to minimise exposure
- What costs are associated with aligning yourself with compliance
- Why using consent as your legal basis for processing is unlikely to be the best option
- At the end of the seminar, there will be plenty of time for a Q & A

To enrol for the seminar at £50 per person please visit –
